Down ↓

1.

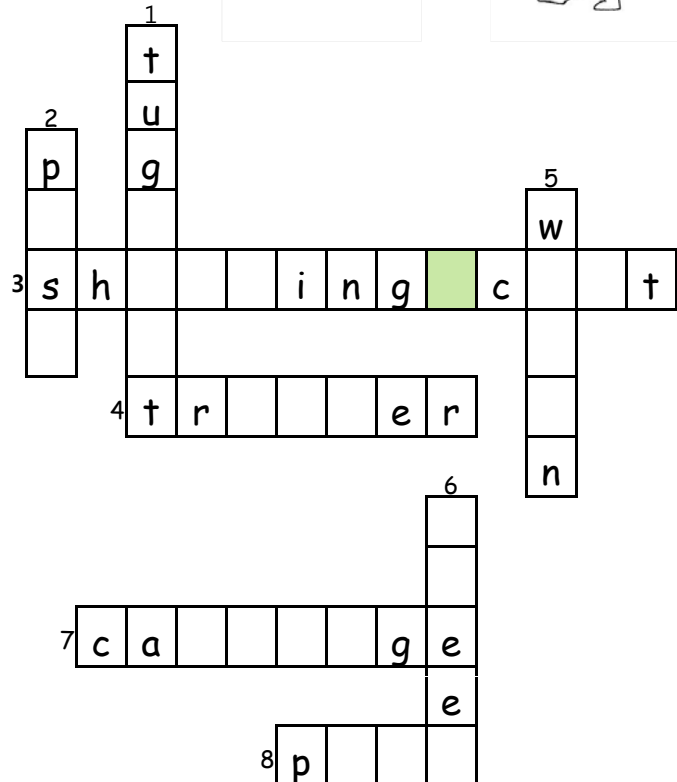

2.

5.

6.

B Read and write the antonym for the given word.

heavy

big

hard

pull

1. Most heavy things are _____ to move.
easy

2. When we _____ things, we move them toward us.
push

3. We can make it easier to move _____ things.
light

4. Engines help to push very _____, very heavy things.
small

C Fill in the chart to sort things.

wagon

shopping cart

box

truck

boat

bulldozer

trailer

cart

Pushing → 

Pulling ← 

D Choose one thing with wheels or engines.
Then write the sentences using the same pattern.

A shopping cart has wheels.

The wheels make it easier to push the shopping cart.

The shopping cart would be too hard to push if it did not have wheels.

draw
