B Circle and write the correct words in the blanks.

Frequency Adverbs

We use **frequency adverbs** to say how often something happens.

0%	50%	100%
never	sometimes	always

1. I always have breakfast. (always / sometimes)

2. My friends sometimes come to my house. (never / sometimes)

3. We never play video games on weekdays. (never / always)

C Complete the sentences about why we can't see the sun.

We can't see the sun because we move and the sun stays still.

At night, we can't see the sun because the earth has turned.

We can't see the sun when the sky is full of clouds because the clouds are between the sun and us.

We can't see all of the sun when there is an eclipse because the moon blocks most of the sunlight.

earth, moon, clouds(x2), sun(x2), still, eclipse, night

D What does sunlight shine in the sky? Complete the sentences using the given words.

Sunlight Shines

We can see the moon because sunlight shines on the moon. (sunlight, moon)

We can see a rainbow because sunlight shines through water droplets in the sky.
(water droplets, sky, sunlight, rainbow)
