## Summary

Fill in the blanks with the words.

tags	trick	dragonfly	firefly
------	-------	-----------	---------

Some bugs play a game of tag. Firefly is "it" first. 1) Firefly lights up, and Moth flies to the light. Firefly tags Moth. Moth hides under a flower. Bee sits on the flower. Moth tags her. Bee 2) tags Spider because she cannot fly. Spider makes a web over the water. Dragonfly flies into the web and gets stuck. Spider tags him. Dragonfly cannot move, so he cannot catch the others. Frog wants to play, too. The bugs say, "You're 'it'!" Frog sees Dragonfly. Frog's long tongue comes out. He pulls 3) Dragonfly into his mouth. The bugs say, "Game over!" Frog laughs and opens his mouth. Dragonfly flies out. They laugh at their 4) trick. "We really scared them!"
