C Write the missing words in each sentence.

Comprehension

secret, strange, spies

Spies hide secret messages for other spies to find. Sometimes they hide them in strange places.

different, each, cut up

You could cut up the secret message and hide each piece in a different place.

beard, fat, change, hair

Spies can change their faces. If you would like to be a spy, you could put on a beard ... could make your face fat ... could change your hair.

D If you were a spy, where would you hide a secret message? Draw and write.

Answers will vary.

Ex. If I were a spy, I would hide a secret message inside my underpants.
