4. The swallow feels sorry for the prince.
5. One night, the swallow flies over the city.
6. Then the swallow flies back to the prince.

D Complete the sentences using the pattern and the given words.

Past Modals: *could/should/would have*

In the past tense, the modal verbs **could**, **should**, and **would** are followed by **have + past participle**.

This pattern describes things that did not actually happen. It is used to talk about ability, possibility, and obligation in the past.

- When I was alive, I could have helped them.
(He did not actually help them.)
- We were late for school. We should have left earlier.
- Why didn't you come to the party? You would have enjoyed it.

1. I wish I had eaten a bigger breakfast this morning. (*should*)
→ I should have eaten a bigger breakfast this morning.
2. I wish you had told me the truth. (*should*)
→ You should have told me the truth.
3. It's too bad Martin wasn't there. He always knows what to do. (*would*)
→ Martin would have known what to do.
4. It's too bad Eva didn't enter the talent show. She's good enough to win. (*could*)
→ Eva could have won (the talent show).
