| 6. None of the kids know why | • | • | f. what's in people's ear holes.  |

### D Complete the summary with the correct words.

#### Beginning

The children were having lunch in the cafeteria. Ha Na asked why fish don't have ears. Carlos said they don't need them because they don't talk.

#### Middle

The kids began discussing about dolphins, which talk by making squeaks. Jackson said their ears are hidden. Carlos explained that frogs have ears behind their eyes. Ha Na described two different kinds of rabbit ears.

#### End

The kids then talked about what is in people's ear holes. Jackson told them that all people have eardrums. They plan to ask the music teacher because he has lots of drums.
