C Complete the summary with the correct words.

sea turtles hospital face tank gazebos laughing truck

Mr. Eddy is taking the children to their next stop at the Fabularium when they see a 1. truck rush by. Mr. Eddy says it is carrying a new patient to a special 2. hospital. He also says that he thinks a visit to this place will cheer them up. Hunter guesses correctly that the patients are 3. sea turtles. They see a row of 4. gazebos, which are recovery rooms. The kids go into one of them and look into the 5. tank. Only Mrinal can't see the turtle, so he leans over and puts his 6. face close to the water. That is when the turtle pops its head out and frightens him. He looks so funny that the others can't stop 7. laughing.

D Answer the questions.

1. What are the most interesting animals you have seen in person? Why are they interesting?

2. Which animals do you think look the scariest? Why?

3. What cheers you up when you're feeling down?
